

JOIN A WORLD-RANKED UNIVERSITY

YOUR JOURNEY BEGINS AT THE UNIVERSITY OF CYBERJAYA

It is my pleasure to welcome you to the University of Cyberjaya (UoC), a dynamic, internationally focused university at the heart of Malaysia's leading education and innovation hub.

Since our establishment in 2005, we have built a strong reputation in healthcare and professional education, with programmes designed to prepare graduates not just for employment, but for global impact. At UoC, you will be part of a diverse, multicultural community where academic excellence is combined with real-world experience, strong industry connections, and a focus on developing the skills that matter for the future.

We believe that education should transform lives. Our goal is to develop confident, capable graduates who are ready to become Changemakers in their professions, their communities, and the wider world.

I look forward to welcoming you and supporting you on this important journey.

Welcome to the University of Cyberjaya — where your future begins.

Professor Dr. David Whitford
Vice Chancellor and Chief Executive
University of Cyberjaya

A WORLD-CLASS CAMPUS.

We've invested almost RM200 million for the comfort and wellbeing of our students in order for them to excel and be the best that they can be. Our world-class campus provides fully equipped facilities to enhance our student's learning experiences. Among the facilities available are the Grand Hall, Lecture Theatres, Student Lounge, Discussion Rooms, Computer Laboratories, Research Laboratories, Innovation and Creative Technology Hub, Library, Wifi on Campus, Learning Management System (LMS), Resource Centers, Mock Community Pharmacy and Dissection Hall among others.

Our laboratories are also GLP certified - a global benchmark complying with OECD and FDA standards - essential for industry-funded research and professional hands-on experience for our students.

The tuition fees stated are indicative and based on the standard duration of the programme. Total payable fees may include non-refundable registration, processing, administration and EMGS (student visa) fees. International applicants are required to pay the registration fee, administration fee and first-semester tuition prior to arrival in Malaysia. Resource fees are charged monthly and additional charges may apply for deferment, repeat or extended study periods.

Effective 1 July 2025, a 6% Sales and Service Tax (SST) will be imposed on education-related fees for non-Malaysian citizens, as mandated by the Royal Malaysian Customs Department. The University of Cyberjaya acts as the collecting agent for this tax and all SST collected will be remitted in full to the Royal Malaysian Customs Department.

All information is correct at the time of publication. The University of Cyberjaya reserves the right to review and amend fees, policies and programme details when necessary.
